department of the county within the district containing the school receiving the services. If a local police department or a county sheriff's department does not wish to provide the necessary services, the district may contract for these services with any other police or sheriff's department located entirely or partially within the school district's boundaries.

(b) A school district that is a member of an intermediate school district may include in its authority under this section the costs associated with safe schools activities authorized under paragraph (a) for intermediate school district programs. (1) multiple and objective criteria; and

(2) assessments and procedures that are valid and reliable, fair, and based on current theory and research addressing the use of tools and methods that are sensitive

to underrepresented groups, including, but not limited to, low income, minority, twice-exceptional, and English language learners.

(c) School districts and charter schools must adopt procedures for the academic acceleration of gifted and talented students. These procedures must include how the district will:

- (1) assess a student's readiness and motivation for acceleration; and
- (2) match the level, complexity, and pace of the curriculum to a student to achieve the best type of academic acceleration for that student.

Sec. 2. Minnesota Statutes 2009 Supplement, section 120B.30, subdivision 1, is amended to read:

Subdivision 1. **Statewide testing.** (a) The commissioner, with advice from experts with appropriate technical qualifications and experience and stakeholders, consistent with subdivision 1a, shall include in the comprehensive assessment system, for each grade level to be tested, state-constructed tests developed from and aligned with the state's required academic standards under section 120B.021, include multiple choice questions, and be administered annually to all students in grades 3 through 8. The commissioner's decision regarding the appeal is final. For students enrolled in grade 8 before the 2005-2006 school year, Minnesota basic skills tests in reading, mathematics, and writing shall fulfill students' basic skills testing requirements for a passing state notation. The passing scores of basic skills tests in reading and mathematics are the equivalent of 75 percent correct for students entering grade 9 based on the first uniform test administered in February 1998. Students who have not successfully passed a Minnesota basic skills test by the end of the 2011-2012 school year must pass the graduation-required assessments for diploma under paragraph (b).

(b) The state assessment system must be aligned to the most recent revision of academic standards as described in section 120B.023 in the following manner:

- 7.10 determined through a standard setting process on the Minnesota comprehensive
- 7.11 assessments in grade 10 for reading and grade 11 for mathematics or achieving a passing
- 7.12 score as determined through a standard setting process on the graduation-required
- 7.13 assessment for diploma in grade 10 for reading and grade 11 for mathematics or
- 7.14 subsequent retests;
- 7.15 (ii) achieving a passing score as determined through a standard setting process on the
- 7.16 state-identified language proficiency test in reading and the mathematics test for English
- 7.17 language learners or the graduation-required assessment for diploma equivalent of those
- 7.18 assessments for students designated as English language learners;
- 7.19 (iii) achieving an individual passing score on the graduation-required assessment
- 7.20 for diploma as determined by appropriate state guidelines for students with an individual

- 7.22 (iv) obtaining achievement level equivalent to or greater than proficient as
- 7.23 determined through a standard setting process on the state-identified alternate assessment

- 7.28 individual education plan; and
- 7.29 (2) for writing:
- 7.30 (i) achieving a passing score on the graduation-required assessment for diploma;
- 7.31 (ii) achieving a passing score as determined through a standard setting process on

- 7.34 (iii) achieving an individual passing score on the graduation-required assessment
- 7.35 for diploma as determined by appropriate state guidelines for students with an individual
- 7.36 education plan or 504 plan; or

(iv) achieving an individual passing score on the state-identified alternate assessment or assessments as determined by appropriate state guidelines for students with an individual education plan.

(d) Students enrolled in grade 8 in any school year from the 2005-2006 school year to the 2009-2010 school year who do not pass the mathematics graduation-required assessment for diploma under paragraph (b) are eligible to receive a high school diploma ~~with a passing state notation~~ if they:

In addition, the school board granting the students their diplomas may formally decide to include a notation of high achievement on the high school diplomas of those graduating seniors who, according to established school board criteria, demonstrate exemplary academic achievement during high school.

(e) The 3rd through 8th grade and high school test results shall be available to districts for diagnostic purposes affecting student learning and district instruction and curriculum, and for establishing educational accountability. The commissioner must disseminate to the public the high school test results upon receiving those results.

(f) The 3rd through 8th grade and high school tests must be aligned with state academic standards. The commissioner shall determine the testing process and the order of administration. The statewide results shall be aggregated at the site and district level, consistent with subdivision 1a.

(g) In addition to the testing and reporting requirements under this section, the commissioner shall include the following components in the statewide public reporting system:

(1) uniform statewide testing of all students in grades 3 through 8 and at the high school level that provides appropriate, technically sound accommodations or alternate assessments;

(2) educational indicators that can be aggregated and compared across school districts and across time on a statewide basis, including average daily attendance, high school graduation rates, and high school drop-out rates by age and grade level;

(3) state results on the American College Test; and

(4) state results from participation in the National Assessment of Educational Progress so that the state can benchmark its performance against the nation and other states, and, where possible, against other countries, and contribute to the national effort to monitor achievement.

The test results must not include personally identifiable information as defined in Code of Federal Regulations, title 34, section 99.3. The commissioner shall also report data that compares performance results among school sites, school districts, Minnesota and other states, and Minnesota and other nations. The commissioner shall disseminate to schools and school districts a more comprehensive report containing testing information that meets local needs for evaluating instruction and curriculum.

Sec. 4. Minnesota Statutes 2009 Supplement, section 120B.30, subdivision 4, is amended to read:

Subd. 4. **Access to tests.** Notwithstanding section 13.34, the commissioner must adopt and publish a policy to provide public and parental access for review of basic skills tests, Minnesota Comprehensive Assessments, or any other such statewide test and assessment which would not compromise the objectivity or fairness of the testing or examination process. Upon receiving a written request, the commissioner must make available to parents or guardians a copy of their student's actual responses to the test questions for their review.

Sec. 5. Minnesota Statutes 2009 Supplement, section 120B.31, subdivision 4, is amended to read:

Subd. 4. ~~Statistical adjustments;~~ **Student performance data.** In developing policies and assessment processes to hold schools and districts accountable for high levels of academic standards under section 120B.021, the commissioner shall aggregate student data over time to report student performance and growth levels measured at the school, school district, and statewide level. When collecting and reporting the performance data, the commissioner shall: ~~(1) acknowledge the impact of significant demographic factors such as residential instability, the number of single parent families, parents' level of education, and parents' income level on school outcomes; and (2)~~ organize and report the data so that state and local policy makers can understand the educational implications of changes in districts' demographic profiles over time. 11.6 Districts must assign a school administrator to serve as a HOUSSE reviewer to
11.7 meet with teachers under this paragraph and, where appropriate, certify the teachers'
11.8 applications. Teachers satisfy the definition of highly qualified when the teachers receive
11.9 at least 100 of the total number of points used to measure the teachers' content expertise
11.10 under clauses (1) to (7). Teachers may acquire up to 50 points only in any one clause (1)

11.17 to an agreement under section 124D.09, subdivision 10, is eligible to receive aid for the
11.18 costs of providing postsecondary courses at the high school. Beginning in fiscal year 2011,
11.19 districts only are eligible for aid if the college or university concurrent enrollment courses
11.20 offered by the district are accredited by the National Alliance of Concurrent Enrollment
11.21 Partnership, in the process of being accredited, or are shown by clear evidence to be of

12.8 plus any other information the authorizer requests. The application also shall include a
12.9 "statement of assurances" of legal compliance prescribed by the commissioner.

12.10 "Affidavit" means a written statement the authorizer submits to the commissioner
12.11 for approval to establish a charter school under subdivision 4 attesting to its review and
12.12 approval process before chartering a school.

12.13 "Affidavit" means the form an authorizer submits to the commissioner that is a
12.14 precondition to a charter school organizing an affiliated nonprofit building corporation

- 14.3 (i) how the statutory purposes defined in subdivision 1 are addressed;
14.4 (ii) the mission, goals, program model, and student performance expectations;
14.5 (iii) an evaluation plan for the school that includes criteria for evaluating educational,
14.6 organizational, and fiscal plans;
14.7 (iv) the school's governance plan;
14.8 (v) the financial management plan; and
14.9 (vi) the administration and operations plan;

14.10 (4) a description of the type of contract it will arrange with the schools it charters
14.11 that meets the provisions of subdivision 6 and defines the rights and responsibilities of the
14.12 charter school for governing its educational program, controlling its funds, and making
14.13 school management decisions;

14.14 (5) the process to be used for providing ongoing oversight of the school consistent
14.15 with the contract expectations specified in clause (4) that assures that the schools chartered
14.16 are complying with both the provisions of applicable law and rules, and with the contract;

14.17 (6) the process for making decisions regarding the renewal or termination of
14.18 the school's charter based on evidence that demonstrates the academic, organizational,
14.19 and financial competency of the school, including its success in increasing student
14.20 achievement and meeting the goals of the charter school agreement; and

14.21 (7) an assurance specifying that the organization is committed to serving as a
14.22 sponsor for the full five-year term.

14.23 A disapproved applicant under this paragraph may resubmit an application during a
14.24 future application period.

14.25 (e) The authorizer must participate in department-approved training.

14.26 (f) An authorizer that chartered a school before August 1, 2009, must apply by
14.27 June 30, 2011, to the commissioner for approval, under paragraph (c), to continue as an
14.28 authorizer under this section. For purposes of this paragraph, an authorizer that fails to
14.29 submit a timely application is ineligible to charter a school.

14.30 (g) The commissioner shall review an authorizer's performance every five years in
14.31 a manner and form determined by the commissioner and may review an authorizer's
14.32 performance more frequently at the commissioner's own initiative or at the request of a
14.33 charter school operator, charter school board member, or other interested party. The
14.34 commissioner, after completing the review, shall transmit a report with findings to the
14.35 authorizer. If, consistent with this section, the commissioner finds that an authorizer
14.36 has not fulfilled the requirements of this section, the commissioner may subject the

15.1 authorizer to corrective action, which may include terminating the contract with the
15.2 charter school board of directors of a school it chartered. The commissioner must notify
15.3 the authorizer in writing of any findings that may subject the authorizer to corrective
15.4 action and the authorizer then has 15 business days to request an informal hearing before
15.5 the commissioner takes corrective action.

15.6 (h) The commissioner may at any time take corrective action against an authorizer,
15.7 including terminating an authorizer's ability to charter a school for:

15.8 (1) failing to demonstrate the criteria under paragraph (c) under which the
15.9 commissioner approved the authorizer;

15.10 (2) violating a term of the chartering contract between the authorizer and the charter
15.11 school board of directors; or

15.12 (3) unsatisfactory performance as an approved authorizer.

15.13 Sec. 10. Minnesota Statutes 2009 Supplement, section 124D.10, subdivision 4, is
15.14 amended to read:

15.15 Subd. 4. **Formation of school.** (a) An authorizer, after receiving an application from
15.16 a school developer, may charter a licensed teacher under section 122A.18, subdivision
15.17 1, or a group of individuals that includes one or more licensed teachers under section
15.18 122A.18, subdivision 1, to operate a school subject to the commissioner's approval of the
15.19 authorizer's affidavit under paragraph (b). The school must be organized and operated
15.20 as a cooperative under chapter 308A or nonprofit corporation under chapter 317A and
15.21 the provisions under the applicable chapter shall apply to the school except as provided
15.22 in this section.

15.23 Notwithstanding sections 465.717 and 465.719, a school district, subject to this
15.24 section and section 124D.11, may create a corporation for the purpose of establishing a
15.25 charter school.

15.26 (b) Before the operators may establish and operate a school, the authorizer must file
15.27 an affidavit with the commissioner stating its intent to charter a school. An authorizer
15.28 must file a separate affidavit for each school it intends to charter. The affidavit must
15.29 state the terms and conditions under which the authorizer would charter a school and
15.30 how the authorizer intends to oversee the fiscal and student performance of the charter
15.31 school and to comply with the terms of the written contract between the authorizer
15.32 and the charter school board of directors under subdivision 6. The commissioner must
15.33 approve or disapprove the authorizer's affidavit within 60 business days of receipt of the
15.34 affidavit. If the commissioner disapproves the affidavit, the commissioner shall notify
15.35 the authorizer of the deficiencies in the affidavit and the authorizer then has 20 business

days to address the deficiencies. If the authorizer does not address deficiencies to the commissioner's satisfaction, the commissioner's disapproval is final. Failure to obtain commissioner approval precludes an authorizer from chartering the school that is the subject of this affidavit.

(c) The authorizer may prevent an approved charter school from opening for operation if, among other grounds, the charter school violates this section or does not meet the ready-to-open standards that are part of the authorizer's oversight and evaluation process or are stipulated in the charter school contract.

(d) The operators authorized to organize and operate a school, before entering into a contract or other agreement for professional or other services, goods, or facilities, must incorporate as a cooperative under chapter 308A or as a nonprofit corporation under chapter 317A and must establish a board of directors composed of at least five members who are not related parties until a timely election for members of the ongoing charter school board of directors is held according to the school's articles and bylaws under paragraph (f). A charter school board of directors must be composed of at least five members who are not related parties. Staff members employed at the school, including teachers providing instruction under a contract with a cooperative, and all parents or legal guardians of children enrolled in the school are the voters eligible to elect the members of the school's board of directors. A charter school must notify eligible voters of the school board election dates at least 30 days before the election. Board of director meetings must comply with chapter 13D.

(e) Upon the request of an individual, the charter school must make available in a timely fashion the minutes of meetings of the board of directors, and of members and committees having any board-delegated authority; financial statements showing all operations and transactions affecting income, surplus, and deficit during the school's last annual accounting period; and a balance sheet summarizing assets and liabilities on the closing date of the accounting period. A charter school also must post on its official Web site information identifying its authorizer and indicate how to contact that authorizer and include that same information about its authorizer in other school materials that it makes available to the public.

(f) Every charter school board member shall attend department-approved training on board governance, the board's role and responsibilities, employment policies and practices, and financial management. A board member who does not begin the required training within six months of being seated and complete the required training within 12 months of being seated on the board is ineligible to continue to serve as a board member.

(g) The ongoing board must be elected before the school completes its third year of operation. Board elections must be held during a time when school is in session. The charter school board of directors shall be composed of at least five nonrelated members and include: (i) at least one licensed teacher employed and serving as a teacher at the school or a licensed teacher providing instruction under a ~~contract~~ contract between the charter school and a cooperative; (ii) the parent or legal guardian of a student enrolled in the charter school who is not employed by the charter school; and (iii) an interested community member who is not employed by the charter school and does not have a child enrolled in the school. The board may be a teacher majority board composed of teachers described in this paragraph. The chief financial officer and the chief administrator ~~are~~ may only serve as ex-officio nonvoting board members and shall not serve as a voting member of the board. Charter school employees or contractors shall not serve on the board unless the employee is a licensed teacher for purposes of item (i) or clause (1). Board bylaws shall outline the process and procedures for changing the board's governance model, consistent with chapter 317A. A board may change its governance model only:

(1) by a majority vote of the board of directors and the licensed teachers employed by the school, including licensed teachers providing instruction under a contract between the school and a cooperative; and

(2) with the authorizer's approval.

Any change in board governance must conform with the board structure established under this paragraph.

(h) The granting or renewal of a charter by an authorizer must not be conditioned upon the bargaining unit status of the employees of the school.

(i) The granting or renewal of a charter school by an authorizer must not be contingent on the charter school being required to contract, lease, or purchase services from the authorizer. Any potential contract, lease, or purchase of service from an authorizer must be disclosed to the commissioner, accepted through an open bidding process, and be a separate contract from the charter contract. The school must document the open bidding process. An authorizer must not enter into a contract to provide management and financial services for a school that it authorizes, unless the school documents that it received at least two competitive bids.

(j) An authorizer may permit the board of directors of a charter school to expand the operation of the charter school to additional sites or to add additional grades at the school beyond those described in the authorizer's original affidavit as approved by the commissioner only after submitting a supplemental affidavit for approval to the

commissioner in a form and manner prescribed by the commissioner. The supplemental affidavit must show that:

(1) the expansion proposed by the charter school is supported by need and projected enrollment;

(2) the charter school expansion is warranted, at a minimum, by longitudinal data demonstrating students' improved academic performance and growth on statewide assessments under chapter 120B;

(3) the charter school is fiscally sound and has the financial capacity to implement the proposed expansion; and

(4) the authorizer finds that the charter school has the management capacity to carry out its expansion.

(k) The commissioner shall have 30 business days to review and comment on the supplemental affidavit. The commissioner shall notify the authorizer of any deficiencies in the supplemental affidavit and the authorizer then has 30 business days to address, to the commissioner's satisfaction, any deficiencies in the supplemental affidavit. The school may not expand grades or add sites until the commissioner has approved the supplemental affidavit. The commissioner's approval or disapproval of a supplemental affidavit is final.

(l) A charter school approved and operating under this section shall not merge with another charter school without prior approval from the commissioner. The merger shall comply with chapter 317A and section 124D.11, subdivision 9, paragraph (g). The commissioner shall review the proposed merger submitted by the proposed surviving charter school and approve or disapprove the merger based on the following criteria:

(i) the financial management plan, including the transfer of assets and liabilities;

(ii) the administration and operations plan;

(iii) the school's governance plan; and

(iv) the academic achievement plan.

Sec. 11. Minnesota Statutes 2009 Supplement, section 124D.10, is amended by adding a subdivision to read:

Subd. 4b. Replication of high-performing charter schools. (a) The commissioner may approve up to five charter or school models proven to emulate highly effective practices and significantly improve student academic growth and proficiency as measured by the statewide accountability system under chapter 120B or another state's federally approved accountability system under the Elementary and Secondary Education Act. An approved authorizer must submit an application to the commissioner to replicate high-performing charter schools as a separate new school under an existing or new

19.1 charter. The commissioner must evaluate the application under this subdivision against
19.2 the following criteria:

- 19.3 (1) the financial management plan;
19.4 (2) the administration and operations plan;
19.5 (3) the school's governance plan;
19.6 (4) the academic achievement plan, including targeting at-risk students; and
19.7 (5) conformity with federal and state law.

19.8 (b) Replication models approved by the commissioner under this subdivision are
19.9 exempt from subdivision 4, paragraph (g), items (i) to (iii), and may operate separate
19.10 charter schools under the direction of one single board. The charter school board must
19.11 hold elections as outlined in this section and consistent with the charter school board's
19.12 bylaws. Each charter school operated under this subdivision must conduct a separate
19.13 lottery and enrollment process. Charter schools approved under this subdivision are
19.14 eligible to receive state charter school start-up aid as one eligible site and must not receive
19.15 start-up aid for multiple sites. The commissioner may only approve up to five charter
19.16 sites. An approved applicant must resubmit a new application to the commissioner under
19.17 this subdivision to replicate more than five charter school sites. The commissioner shall
19.18 have 60 business days to review the application. The commissioner shall notify the
19.19 authorizer of any deficiencies in the application and the authorizer will have 20 business
19.20 days to address, to the commissioner's satisfaction, any deficiencies in the application.
19.21 The commissioner's decision is final.

19.22 Sec. 12. Minnesota Statutes 2009 Supplement, section 124D.10, subdivision 6a,
19.23 is amended to read:

19.24 Subd. 6a. **Audit report.** (a) The charter school must submit an audit report to the
19.25 commissioner and its authorizer by December 31 each year.

19.26 (b) The charter school, with the assistance of the auditor conducting the audit, must
19.27 include with the report a copy of all charter school agreements for corporate management
19.28 services. If the entity that provides the professional services to the charter school is
19.29 exempt from taxation under section 501 of the Internal Revenue Code of 1986, that entity
19.30 must file with the commissioner by February 15 a copy of the annual return required under
19.31 section 6033 of the Internal Revenue Code of 1986.

19.32 (c) If the commissioner receives an audit report indicating that a material weakness
19.33 exists in the financial reporting systems of a charter school, the charter school must submit
19.34 a written report to the commissioner explaining how the material weakness will be

resolved. The entity that provides professional services to the charter school must provide information about the school's financial audit to the commissioner upon request.

Sec. 13. Minnesota Statutes 2009 Supplement, section 124D.10, subdivision 23, is amended to read:

Subd. 23. **Causes for nonrenewal or termination of charter school contract.** (a) The duration of the contract with an authorizer must be for the term contained in the contract according to subdivision 6. The authorizer may or may not renew a contract at the end of the term for any ground listed in paragraph (b). An authorizer may unilaterally terminate a contract during the term of the contract for any ground listed in paragraph (b). At least 60 days before not renewing or terminating a contract, the authorizer shall notify the board of directors of the charter school of the proposed action in writing. The notice shall state the grounds for the proposed action in reasonable detail and that the charter school's board of directors may request in writing an informal hearing before the authorizer within 15 business days of receiving notice of nonrenewal or termination of the contract. Failure by the board of directors to make a written request for a hearing within the 15-business-day period shall be treated as acquiescence to the proposed action. Upon receiving a timely written request for a hearing, the authorizer shall give ten business days' notice to the charter school's board of directors of the hearing date. The authorizer shall conduct an informal hearing before taking final action. The authorizer shall take final action to renew or not renew a contract no later than 20 business days before the proposed date for terminating the contract or the end date of the contract.

(b) A contract may be terminated or not renewed upon any of the following grounds:

- (1) failure to meet the requirements for pupil performance contained in the contract;
- (2) failure to meet generally accepted standards of fiscal management;
- (3) violations of law; or
- (4) other good cause shown.

If a contract is terminated or not renewed under this paragraph, the school must be dissolved according to the applicable provisions of chapter 308A or 317A.

(c) If the sponsor and the charter school board of directors mutually agree to terminate or not renew the contract, a change in sponsors is allowed if the commissioner approves the transfer to a different eligible authorizer to authorize the charter school. Both parties must jointly submit their intent in writing to the commissioner to mutually terminate the contract. The sponsor that is a party to the existing contract at least must inform the approved different eligible sponsor about the fiscal and operational status and student performance of the school. Before the commissioner determines whether

to approve a transfer of authorizer, the commissioner first must determine whether the charter school and prospective new authorizer can identify and effectively resolve those circumstances causing the previous authorizer and the charter school to mutually agree to terminate the contract. If no transfer of sponsor is approved, the school must be dissolved according to applicable law and the terms of the contract.

(d) The commissioner, after providing reasonable notice to the board of directors of a charter school and the existing authorizer, and after providing an opportunity for a public hearing, may terminate the existing contract between the authorizer and the charter school board if the charter school has a history of:

(1) failure to meet pupil performance requirements ~~contained in the contract~~
consistent with state law;

(2) financial mismanagement or failure to meet generally accepted standards of fiscal management; or

(3) ~~repeated or major~~ violations of the law.

(e) If the commissioner terminates a charter school contract under subdivision 3, paragraph (g), the commissioner shall provide the charter school with information about other eligible authorizers.

Sec. 14. Minnesota Statutes 2008, section 127A.42, subdivision 2, is amended to read:

Subd. 2. **Violations of law.** The commissioner may reduce or withhold the district's state aid for any school year whenever the board of the district authorizes or permits violations of law within the district by:

(1) employing a teacher who does not hold a valid teaching license or permit in a public school;

(2) noncompliance with a mandatory rule of general application promulgated by the commissioner in accordance with statute, unless special circumstances make enforcement inequitable, impose an extraordinary hardship on the district, or the rule is contrary to the district's best interests;

(3) the district's continued performance of a contract made for the rental of rooms or buildings for school purposes or for the rental of any facility owned or operated by or under the direction of any private organization, if the contract has been disapproved, the time for review of the determination of disapproval has expired, and no proceeding for review is pending;

(4) any practice which is a violation of sections 1 and 2 of article 13 of the Constitution of the state of Minnesota;

(5) failure to reasonably provide for a resident pupil's school attendance under Minnesota Statutes;

(6) noncompliance with state laws prohibiting discrimination because of race, color, creed, religion, national origin, sex, age, marital status, status with regard to public assistance or disability, as defined in sections 363A.08 to 363A.19 and 363A.28, subdivision 10; or

(7) using funds contrary to the statutory purpose of the funds.

The reduction or withholding must be made in the amount and upon the procedure provided in this section, or, in the case of the violation stated in clause (1), upon the procedure provided in section 127A.43.

Sec. 15. Minnesota Statutes 2008, section 127A.43, is amended to read:

127A.43 DISTRICT EMPLOYMENT OF UNLICENSED TEACHERS; AID REDUCTION.
